

PROGRESS & GOALS: What are we working on and where do we want to go?

STRENGTHS (ALSO ASSETS)

- Portland that can be developed into additional tent campsites
- North Park Shelter

OPPORTUNITIES

- State of WI Dep't of Tourism recognizes Office of Outdoor Recreation and that post-2020, people are trying to get out there for more silent + motorized activities. We have momentum to develop that here.
- Groundswell Conservancy can help the County and municipalities achieve land protection goals. This is a role we play in Dane and Rock Counties.
- Co. Land & Water Conservation Dept has cost-sharing opportunities including bank erosion control, 350ft native shore line gardens, etc.
- Communications, promotion, visibility

CHALLENGES

- ATV / UTV network?
- Floodplain
 - Mitigation Properties
- Development & Coordination w/ Municipalities
